

# Lifetime Powertrain Warranty

OHD is proud to introduce an exclusive, industry first, lifetime powertrain warranty to protect the inner workings of the QuantifiFit2, which is the soul of our patented controlled negative pressure (CNP) technology.

***The lifetime powertrain warranty covers:***

- The pressure engine assembly
- Solenoid valves
- Diaphragm pump
- Onboard plumbing
- Wiring harnesses
- Ribbon cables

*The inner workings (lungs) of your QuantifiFit2 will be protected for the life of the machine while it works to protect the lungs of the world's workforce. To maintain your lifetime powertrain warranty, simply send the QuantifiFit2 in for its annual NIST traceable calibration at one of our authorized service centers around the world.*
